# Climate Change Oxford

## What you can do now!

Oxford City Council is holding a climate change event for World Environment Day on Tuesday, 5th June 2007 in the Town Hall. The purpose of the event is to bring together people who live, work and study in Oxford to encourage and inspire practical actions to tackle climate change.

### Event schedule

**Exhibition:** 2pm-8pm – Assembly Room/Old Library.  
Sustainable energy installers and advisors, local carbon reduction projects and a range of other related exhibitors.

**Conference:** 4pm-8pm – Main Hall, Town Hall.  
(including panel discussions at 5pm and 7.40pm)  
Speakers include a mix of internationally renowned climate change experts and active local residents.

**Session 1: 4pm- 5.20pm**

**Climate change: what is the problem?**

Headline address: **Professor Lord May of Oxford**, former chief scientific advisor to the UK Government and President of the Royal Society.

**Session 2: 5.40pm – 8.00pm**

**What can we do about climate change in Oxford now?**

**Film screenings:** 2pm, 4pm and 6pm

The Long Room, Town Hall

**An Inconvenient Truth (Al Gore)**
